

Employee Leasing Solutions Opens Panhandle Processing Center and Sales Office.

BRADENTON, Nov. 1, 2007 / Employee Leasing Solutions (ELS), Florida's premier employee leasing company for the construction industry, has announced the opening of its new Panhandle Processing Center and Sales office.

The new service center, located at 755 N. Ferdon Road, Crestview, FL will handle payroll processing, human resources services, safety, and general loss prevention services for ELS clients and worksite employees. The Crestview service center will have mutual backup system capabilities ensuring business continuation in the event of emergencies such as power outages or inclement weather conditions in other areas of Florida. The new processing center will also include a branch sales office with full sales support capabilities

The new office is headed by the team of Gary Martin, Area Vice President and Heather Martin, Area Manager. Both seasoned professionals with extensive experience working for ELS and in the leasing industry. "Employee Leasing Solutions has built a stellar reputation which is second to none in the provision of risk management and customer service and I am thrilled to be a part of this team," said Heather Martin.

"This new service center is designed to help us keep pace with our expansion program," said William J. "Bill" Mullis, CEO of Employee Leasing Solutions. "It's also in line with our goal to locate service professionals closer to our clients and worksite employees. The opening of this new office will also provide immediate access with a Loss Prevention Specialist to help clients with OSHA compliance issues as well as general safety services and concerns."

Employee Leasing Solutions is headquartered in Bradenton, Florida, and provides construction industry clients with a simplified way to handle employee-related administrative tasks such as workers' compensation coverage, payroll and benefit administration, and government compliance.

ELS has offices located in Bradenton, Lakeland, Ocala, Orlando, Jacksonville, Stuart, West Palm Beach, Ft. Lauderdale, Miami, Naples, Lehigh Acres and Crestview.
