For Immediate Release

Employee Leasing Solutions Opens 11th Florida Sales Office in Jacksonville and continues to focus on the Construction Industry.

BRADENTON, Feb. 1, 2007 / Employee Leasing Solutions (ELS), one of Florida's fastest growing employee leasing companies, today announced the expansion of its East Coast operations with the opening of the Jacksonville office, its 11th sales office statewide.

The opening of the Jacksonville office is a continuation of ELS's planned expansion in adding new sales offices across the northern regions of Florida. Recently, ELS also opened its 3rd processing center in Lake Mary which will provide local support to the Jacksonville office as well as other offices in northern Florida.

"We're excited to offer our services to the construction market in Jacksonville. Said Bill Mullis, ELS's CEO and President. "This new office represents an ideal opportunity to expand our Florida presence. "

Jorge Martin, has been appointed Regional Vice President of Jacksonville and will head up the sales operations in that area. Martin served previously as the Regional Vice President of the Dade County operations. The new Jacksonville office is located at 9440 Phillips Highway, Suite 5, Jacksonville, Florida 32256. The phone number is 904-674-0349.

Employee Leasing Solutions corporate headquarters is located in Bradenton and serves more than 2,000 clients and over 20,000 worksite employees throughout Florida. Employee Leasing Solutions provides the construction industry employee-related administrative services such as workers' compensation administration, payroll and employee benefit administration, and government compliance.

ELS currently operates statewide and has offices located in Bradenton, Naples, Ft. Myers, Miami, Ft. Lauderdale, West Palm Beach, Stuart, Lakeland, Lake Mary and Ocala.
