

Employee Leasing Solutions opens office in North Carolina.

Bradenton, FL Nov. 2, 2007 – Employee Leasing Solutions, Florida's premier employee leasing company for the construction industry recently announced the opening of its North Carolina Processing Center and Sales office.

The new Processing Center, located at 4176-C Haywood Road, Mills River, NC 28759 will handle payroll processing, human resources services, safety, and general loss prevention services for Employee Leasing Solutions' clients and employees. The office will be headed by Brian Smith, an ELS Regional Vice President and a seasoned professional with extensive experience in the employee leasing industry. The toll free number to the office is 866-951-2667.

The North Carolina office is a continuation of Employee Leasing Solutions' planned expansion program and marks the beginning of the company's goal of adding three new offices within the next year. The opening of this North Carolina office will expand Employee Leasing Solutions' sales operations to include a total of 13 markets.

"The opening of this office marks the beginning of Employee Leasing Solutions' expansion program for 2008" said Bill Mullis, CEO and President. "I am excited about the opportunities offered in North Carolina and the opportunity to offer Employee Leasing Solutions' proven track record of value and service to the construction industry in North Carolina." said Mullis.

Employee Leasing Solutions is headquartered in Bradenton, Florida, and provides construction industry clients with a simplified way to handle employee-related administrative tasks such as workers' compensation coverage, payroll and benefit administration, and government compliance.

In addition to the new North Carolina office, Employee Leasing Solutions maintains sales and service offices in 12 major areas throughout Florida, including Bradenton, Lehigh Acres, Naples, Miami, Ft. Lauderdale, West Palm Beach, Stuart, Lake Mary, Ocala, Lakeland, Crestview and Jacksonville.
